

Covid-19 Supplies

As we transition back to business, FRLA has put together this directory of Covid-19 resources that will help you re-open with the supplies to keep your guests and staff safe. **List updated 5/8/2020*

Barriers

Teak Isle – Boat Outfitters

As a 40-year supplier to the marine industry with 9 CNC routers, Teak Isle has pivoted during the pandemic to provide plexiglass-based PPE (Face Shields & Barriers) to industries in need of solutions to protect employees and keep businesses up and running. Standard barriers available for quick shipping, as well as custom designs to better fit applications and décor. Contact 866-633-7961.

Clear Safety Solutions

Offers acrylic panels where the protection of customers and employees from exposure to viruses is needed. They supply all materials and labor resulting in an invisible barrier that will last for years. Contact acbits@aol.com or Andy O'Brien at 561-628-9992 or Shirley Heisler 561-309-6452 Fax: 561-832-5805.

Gemini Builds

Offers re-useable, cost-effective standard or customized barriers as shields and sneeze guards. Contact Debra Shutt at Debra@ddshuttllc.com (860)305-5597. **Reference Customer Code: FRLA 2020**
